Information about the Editorial Board of the scientific journal
"Informatics and Cybernetics"

№	Full name	Academic degree	Academic title	Position and place of work	Scientific specialty (field of knowledge)
1	Averin G.V.	DSc.	Prof.	Donetsk National University, Chief of Department «Computer technologies».	05.13.01 – «Systems analysis, control and data processing (technical system)»
2	Anoprienko A.Ya.	Ph. D	A/Prof.	Donetsk National Technical University, Chief of Computer Engineering Department	05.01.01 – «Engineering geometry and computer graphics» 05.13.00 - «Informatics, computers and control»
3	Zvyagintseva A.V.	DSc.	A/Prof.	Donetsk National University, professor of Department «Computer technologies»	05.13.01 – «Systems analysis, control and data processing (technical system)»
4	Zinchenko Y.E.	Ph. D	A/Prof.	Donetsk National Technical University, A/professor of Computer Engineering Department	05.13.05 – «Elements and devices of computer technology and control system»
5	Zori S.A.	DSc.	A/Prof.	Donetsk National Technical University, Chief of Software Engineering Department	05.01.01 – «Engineering geometry and computer graphics» 05.13.00 - «Computer Science, Computer Engineering and Control processes»
6	Karabchevskiy V.V.	Ph. D	A/Prof.	Donetsk National Technical University, Chief of Department «Computer simulation and design»	05.01.01 – «Engineering geometry and computer graphics»
7	Malcheva R.V.	Ph. D	A/Prof.	Donetsk National Technical University, professor of Computer Engineering Department	05.01.01 – «Engineering geometry and computer graphics» 05.13.00 - «Computer Science, Computer Engineering and Control processes»
8	Pavlysh V.N.	DSc.	Prof.	Donetsk National Technical University, Chief of Applied Mathematics Department	05.13.18 — «Mathematical modeling, numerical methods and software complex»
9	Privalov M.V.	Ph. D	A/Prof.	Don State Technical University (Rostov-on-Don, Russia), A/professor of Department «Informational technologies»	05.13.12 – «Design automation systems (grouped by industries)»
10	Skobtzov Yu.A.	DSc.	Prof.	Saint Petersburg State University of Aerospace Instrumentation (Saint Petersburg, Russia), professor of Department «Computer technologies and Software Engineering»	05.13.12 – «Design automation systems (grouped by industries)»
11	Fedyaev O.I.	Ph.D	A/Prof.	Donetsk National Technical University, professor of Software Engineering Department	05.13.11 — «Mathematical and software support of computers, complexes and computer networks»

12	Shelepov V.Yu.	DSc.	Prof.	Chief Researcher of the State Institution «Institute of Artificial Intelligence Problems»	05.13.17 — «Theoretical foundations of computer science»
